The Dartmoor Inn

Welcome to the Dartmoor Inn

We are proud to support local producers, suppliers, growers & breeders – please see the list of our suppliers on the next page. We work with what's fresh, seasonal and available, making small changes as ingredients inspire us so our menu changes throughout the week. Please note that all our dishes are cooked to order, therefore during busy periods there may be a wait for food. If you have any dietary requirements, please let a member of our team know and they will be able to advise you on our menu.
